

Rita is heading to Alaska and so is her signature Mexican Cantina onboard the 'Radiance of the Seas.' Maybe it's the fresh Alaskan air or maybe it's those hunky lumberjacks which have inspired her to transform her cantina into a local Crab Shack, offering the very best crab and seafood from the southeast Alaskan coast. Rita has also teamed up with her friends at the Alaskan Brewing Company in Juneau to provide the finest craft brews to wash down those scrumptious sea creatures.
