**GALA SUITE** *Frank Troia (b. 1949, American)*

This two-story painting is actually painted onto one canvas. Troia's colors and subject matter are romantic and seductive, creating an atmosphere that captures the magic of the evening.

Frank Troia writes, *"These paintings are a tribute to the time-honored traditions and magic of courtship. Whether a relationship is new or time-tested, the joy and magic of romance can be nurtured or recaptured on a sea voyage, leaving the work-a-day world behind and creating a private world of playfulness and elegance."*

It's the artist's hope that these works will inspire respect for the moments that we all share. *"The moments of life."*

We hope that the romance of the sea, the passion of wine and the elegance of Royal Caribbean provide you with *"the moments"* of a lifetime.

*You can enjoy this elegant piece of art in person aboard Royal Caribbean's Serenade of the Seas, where it is the centerpiece of the main dining room.*

Welcome
